

With AXIA-WEB PREMIUM AUTO AUCTION, purchases can be made directly from the Japanese market!

Choose directly from our massive selection of quality used vehicles!

Until now, getting a quality used car from Japan shipped overseas was not easy. It was necessary to find bidding agencies or choose from car exporter's limited stocks. Now, there is AXIA-WEB available to save you time and money, all while making your purchase quick and easy! We offers more than 10000 of auction's used vehicles and over 30000 used car dealer's stocks without the cost of unnecessary middlemen and agency fees. We make it simple, clear and efficient.

Simply choose a language, and then join the auction!

Your office will become an auction venue! Our service is available in English, Portuguese, Russian, French, Spanish, and Swahili. Register our system, log in and choose a model from our superior selection compiled from multiple auction venues throughout Japan. There is nothing to bother you.

Shipping Insurance Included!

Clear Accounting!

Choose from our vast selection of quality used vehicles and we will have them shipped to an international harbor of your choice. We'll even pay for the marine shipping insurance. AXIA-WEB empowers the customer to shop with ease and determine the total cost at glance. The price of the vehicle, commission, and transportation fee are all in one place, easy to see, with no hidden costs. Since we arrange the shipping, we can ensure safe delivery without all the extra costs.

Make your business smart!

No need for bothersome contracts or complicated procedures!

Other auction companies require numerous emails and phone calls. Other companies may have inflated costs because they use unnecessary middlemen. Instead, choose from our impressive collection. Choose your favorite vehicle, place your bid, and let us take care of the rest. We'll handle the vehicle inspection, Japan's customs clearance, and transportation to your location. Best of all, we do it without the middleman, avoiding unnecessary costs.

Let's grow together!

We are committed to continuing growth and development!

We provide a system which streamlines your purchasing experience. Let our team of professionals handle all procedures involved in purchasing a vehicle online. In addition, AXIA-WEB could be an online sales tool for your customer to buy a vehicle. If you have any comments or suggestions on how to improve our website or customer service, be sure to let us know.
